## U.S. Senator Mitch McConnell visits Owsley County

On Friday, State Senator Robert Stivers and U.S. Senator Mitch McConnell paid a visit to Owsley County. In a packed room at the Owsley County Senior Citizens Center, Senator McConnell. Senator Stivers stated, "This is a critical time I believe in United States Future". He went on to talk about the projects that have been

done with coal severance money and the impact the Obama administration was having on the jobs in the coal industry and how it has impacted other industries as well. "We've lost 7000 directly related coal jobs", stated Senator Stivers, "which is \$450,000,000 in payroll, 1.5 million in severance tax because of the present administration".

S e n a t o r

McConnell stated, "This is the most "anti business" administration in anybody's memory". "This 2700 bill has made higher premiums, lost jobs but nothing has been worse than the war on coal", stated Senator McConnell. He stated that one of the greatest advantages in Kentucky has been the lowest utility rates, but they are on the

## Two Shot in Clay, One Fatality

What was meant to be a happy, fun day of hunting ended up in a tragedy for one young family and one still in the hospital. On Thursday near the Fogertown community of Clay County three young men were turkey hunting along Highway 638 when a fatality occurred. A shot rang out and killed Brian Griffin, 28 and landed Jason Roberts, 21 in the hospital. Griffin and Roberts were airlifted from the scene to UK Hospital. The third man in the group, Chad Bullock was not injured and called 911. The call starts by Bullock

telling the dispatcher his two friends have been shot and are in "bad pain."

Monday afternoon, the Clay County Sheriff's Department was issued a search warrant on a home in Fogertown close to the shooting and are now waiting on DNA evidence from the items that were removed from the scene.

Late Tuesday afternoon, the Clay County Sheriff's Department stated they were still waiting on the DNA evidence before an arrest would be made.

Griffin leaves behind a wife and two children.

## EPA Now Taking Comments on New Regulations Voice Your Opinion!

Our nation's electric system's reliability and environmental regulations may seem like two unrelated topics, but this winter, they became inextricably tied together when the polar vortex moved south. Record cold temperatures set in across much of the nation, and power plants were churning out kilowatts as fast as the turbines could generate them.

Power generation companies across the country set new peak records as demand for

heating tested the reliability of the nation's electric grid. Even with record cold, the nation's power plants met the demand. But that might not be the case after 2015. East Kentucky

## Meet The Candidates

This week the Booneville Sentinel is featuring the 5 candidate elects for Owsley County Sheriff. We ask the candidate elects for Owsley County Sheriff the same three questions? Why do you think the voters should elect you Owsley County Sheriff? What sets you apart from the present administration? and What is your strongest qualification for this job? The only question that was different was question number 2 for the current sheriff and it was, Why should you be elected for a 4th term? Below begins their answers, in alphabetical order.

## Owsley County Sheriff Candidates

Joe Bowling

**Joe Bowling, Republican**

**1. Why do you think voters should elect you as Sheriff of Owsley County?**

I think the voters should elect me as Sheriff of Owsley County because I will be honest with the people and treat everyone the same. I will answer your calls and come when you need help. I will clean up the mess that goes on around the courthouse. I will take care of our schools and see that our children and teachers are protected during the events in which they are involved. I will do everything in my power to make Owsley County a safer and cleaner place for all of us to live.

**2. What sets you apart from the present administration?**

When it comes to the people and doing the right thing, I will be far apart from the present administration. For one, the drugs and stealing that is going on in this county seems to have nothing being done about it. If

Tim Chandler

elected Sheriff, I will "crack down" on the drug dealers that are selling their drugs to the younger people. If elected I will also "crack down" on the thieves that steal from our fellow citizens of whom have worked hard all their lives for what they have.

**3. What is your strongest qualification for the job of Owsley County Sheriff?**

My strongest qualification to do this job is my dedication. If you have the dedication and motivation, whether as Sheriff or any other job, you will succeed. I'm asking all the voters out there for your support in this election. If elected, I, Joe Bowling, will work hard with pride and dedication to fulfill the obligations set before me as Sheriff of Owsley County. Thank you all!

**Tim Chandler**

**Why do you think voters should elect you?**

I have 20 years of experience and training. I worked as Chief of Police in Beattyville 4 ½ of those. I'm

Willis "Cotton" Little

the only candidate running with certification, training, and experience. I will work hard to run a professional department, treat people with respect, patrol county on regular basis, answer all calls asap, maintain the security of the court house inside and out, and work closely to with schools to make the safety of them my top priority. I will try to obtain grants for projects and equipment whenever possible to save on county funds. My goals are to keep the community safe for everyone, fight the growing pill and theft problem by using my experience in drug enforcement and crime investigation, by educating the community and helping the addicted.

**What sets you apart from the present administration and what is your strongest qualification for this job?**

I'm certified with 20 years of experience with 4 ½ as Chief of Police Department in Beattyville. I will work with the community day and night to make it a safer place for your family and mine. I would be the first Sherriff in Owsley County history to be certified Law Enforcement Officer. I

James Paul McIntosh

have 20 years of experience. I'm certified through OPOTA (Ohio Peace Officer Training Academy), DOCJT (Dept. of Criminal Justice Training), and NHTSA (National Highway Safety Traffic Administration). I'm certified POT (Police Training Officer). Every year I have to take a minimum of 40 hrs of training to

**Willis "Cotton" Little, Republican**

**1. Why should the voters elect you as Owsley County Sherriff?**

I think the voters of Owsley County should elect me as the next Sherriff because I will dedicate myself to working day and night to keep Owsley County safe for our citizens. I will be here to answer your calls when you need help and see to it that you are assisted. I will treat everyone with respect and be loyal to all citizens.

**2. What sets you apart from the current administration?**

I'm a new, fresh face. Instead of repeating

Kelly Shouse

the past mistakes, we can start fresh with a clean slate. I will see to it that the prescription medicine and theft issues that have been on a rising occurrence lately are token care of immediately. We need a change in this county for the better and the only way that change will occur is if we elect a new face with new ideas and solutions to this county's issues.

**3. What are your strongest qualifications for this job?**

My strongest qualifications for the job of Owsley County Sherriff are my honesty, dependability, and my hard working ethics. I will strive to make Owsley County safe and treat everyone as an equal. I have the determination to make Owsley County safer for our children and families. I will do my job 100% from start to finish. So if you want these key qualifications in your next Sherriff then vote for me; Willis "Cotton" Little. Your vote will be greatly appreciated.

Sure Bet for a Good Time

Reservations for the Gala on Derby Eve due April 25 The annual running of the Derby gives Kentuckians a lot to celebrate: tradition, pride in our "Old Kentucky Home," and the fact that, for two minutes on the first Saturday in May each year, the whole world has its eyes on us. Thankfully, a special event in Richmond gives people in South-central and Southeastern Kentucky a chance to celebrate those things together the night before the bugle calls the thoroughbreds to post. For the 11th year, Derby enthusiasts will gather for the Gala on Derby Eve on Friday, May 2 at 7pm at the Keen Johnson Ballroom on EKV's campus. This year's Gala features complementary valet parking, hors d'oeuvres, dinner, live music by Klassyc Tymes, dancing, an open bar, and a commemorative Derby glass for each guest. Suggested attire is black-tie optional. Guests can enjoy cocktails and hors d'oeuvres beginning at 7:00 p.m. Dinner will be served at 7:30. Live music and dancing continue until 11:30. And, as icing on the Derby pie, all proceeds from the event go to a local non-profit, Hospice Care Plus, which cares for hundreds of the community's loved ones each year in their homes, at the Compassionate Care Center in Richmond, and in nursing homes. Shelley Ward, the chair of the Gala on Derby Eve planning committee and director of development at Hospice,

A couple stays close as they enjoy live music and dancing at the 2013 Gala on Derby Eve. This year's Gala is on May 2 in Richmond. The reservation deadline is April 25.

says guests come from near and far to enjoy the area's only Derby party. "People come from Booneville, Irvine, Beattyville, Brodhead, Tyner, Berea, McKee, Richmond, and all over our six-county service area. And they really enjoy themselves. You will never see as many smiles or hear as much laughter as you do at the Gala. The live music and dancing are always a big hit. It's just a chance to have a great time, for a great cause." Reservations should be made by April 25 and are accepted on a first-come, first-serve basis. To make a reservation, call Hospice Care Plus at 859-986-1500 <tel:859-986-1500> or send an email request to [hospice@hospicecp.org](mailto:hospice@hospicecp.org). To learn more about the Gala on

Guests arrive at last year's Gala on Derby Eve. This year's Gala is on May 2 in Richmond. All proceeds benefit Hospice Care Plus, which serves both Lee and Owsley counties.

Tribute to Wesley Herald  
by Wendell Goodman

I hadn't saw you in many years  
But I'll never forget the times I did  
You always had a kind word to say  
To this hard headed neighborhood kid  
You were a hard working man  
That earned all you had in life  
And one of you biggest rewards  
Were great kids and a loving wife  
You've left nothing but smiles  
For everyone who knew you  
The life that you've lived  
Was always honest and true  
Even though we'll all miss you  
Mt thanks I want to show  
You were a man to be proud of  
I just wanted you to know

Dedicated to the memory of Wesley Herald. All my love and support to the family. If you would like to reach me contact the Booneville Sentinel for information.

God Bless, Wendell Goodman.

# Eastside Apartments

by Ruby Callahan

Hello from Eastside once again! I hope everyone had a good Easter. I went to Seven Candles Church with my daughter and family. We had a good fellowship and breakfast before our service. We really had a beautiful day. We all need to pray for all the sick and the ones who have lost loved ones. Out neighbor Wallace and Linda Young needs special prayer. I had everyone pray for them at church.

### The Promise of Spring

O lord, I love to ponder  
About the promises of spring  
I think about the hope and joy  
And the beauty that is spring  
My heart overflows with happiness  
Knowing the earth will be received  
And everything barren will soon come alive  
I anticipate the green of spring  
That will brighten mother earth  
I picture all of the colorful flowers  
That will burst forth with birth  
Oh lord how good you are to me  
You have thought of everything  
Even your death and resurrection

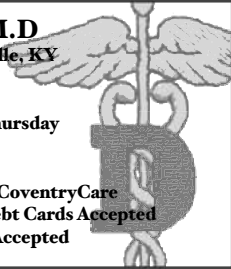

NO MATTER WHERE YOU LIVE

### Independent Auditor's Report

#### Report on the Financial Statement

We were engaged to audit the statement of revenues, expenditures, and excess fees - regulatory basis of the former County Clerk of Owsley County, Kentucky, for the year ended December 31, 2012, and the related notes to the financial statement.

#### Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting practices prescribed or permitted by the laws of Kentucky to demonstrate compliance with the Commonwealth of Kentucky's regulatory basis of accounting as described in Note 1. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on this financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, and the Audit Guide for County Fee Officials issued by the Auditor of Public Accounts, Commonwealth of Kentucky. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

#### Basis for Disclaimer of Opinion

The former County Clerk did not provide us with a management representation letter and did not maintain adequate accounting records of fee account revenues and expenditures to allow us to apply other auditing procedures to satisfy ourselves as to the validity of fee account revenues and expenditures. However, based on available accounting records, material financial statement misstatements were identified along with other significant deficiencies in the county clerk's records and a lack of internal controls. The former County Clerk did not accept the related audit adjustments to correct these misstatements. The combination of these items resulted in a high level of audit risk. Due to the apparent lack of internal controls and the above noted issues, we were unable to reduce the audit risk to an acceptable level.

#### Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statement.

#### Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 4, 2013 on our consideration of the former Owsley County Clerk's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the former Owsley County Clerk's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control over financial reporting and compliance.

Based on the results of our audit, we have presented the accompanying comments and recommendations, included herein, which discuss the following report comments:

# Owsley County Sheriff Candidates

Cont. to page 1

**Willis “Cotton” Little, Republican**

**1. Why should the voters elect you as Owsley County Sherriff?**

I think the voters of Owsley County should elect me as the next Sherriff because I will dedicate myself to working day and night to keep Owsley County safe for our citizens. I will be here to answer your calls when you need help and see to it that you are assisted. I will treat everyone with respect and be loyal to all citizens.

**2. What sets you apart from the current administration?**

I’m a new, fresh face. Instead of repeating the past mistakes, we can start fresh with a clean slate. I will see to it that the prescription medicine and theft issues that have been on a rising occurrence lately are taken care of immediately. We need a change in this county for the better and the only way that change will occur is if we elect a new face with new ideas and solutions to this county’s issues.

**3. What are your strongest qualifications for this job?**

My strongest qualifications for the job of Owsley County Sherriff are my honesty, dependability, and my hard working ethics. I will strive to make Owsley County safe and treat everyone as an equal. I have the determination to make Owsley County safer for our children and families. I will do my job 100% from start to finish. So if you want these key qualifications in your next Sherriff then vote for me; Willis “Cotton” Little. Your vote will be greatly appreciated.

**James Paul McIntosh, Democrat**

**Question 1: Why do you think the voters should elect you Owsley County Sheriff?**

If elected Sheriff I would make every possible effort to answer your calls day and night. I will treat your children as I would want mine to be treated. If I suspect they are following the wrong path, I will talk to them and will notify you. I believe it is the responsibility of the Sheriff to help make our community more drug free and to create a safer place for our children and grandchildren to live.

**Question 2: What sets you apart from the present administration?**

First, I plan to create a welcoming environment and open door at the Sheriff’s Office for any citizen to voice a concern. Second, I welcome the assistance of the Kentucky State Police and other agencies to help stop drug trafficking and break-ins. Third, I want to restore respect and dignity to the courthouse surroundings and Owsley County. Illegal activity will not be tolerated. Next, I plan to patrol the Owsley County roads, schools, park, businesses, nursing and elderly homes, apartment complexes and other properties to prevent all types of illegal activity. Finally, I plan to be a sheriff that is visible and available to listen to citizens and do something about their concerns.

**Question 3: What is your strongest qualification for the job?**

My background includes Criminal Justice Training at Eastern Kentucky University, Deputy Sheriff of Owsley County (4 yrs.), Special Investigations Officer for the Kentucky Department of Natural Resources (8

yrs.), Heavy Equipment Operator (8 yrs.) and Superintendent (7 yrs.) for the Kentucky Department of Transportation Division of Highways for Owsley County, and a lifelong citizen and resident of Owsley County. With my law enforcement training and work experience, I am confident I can make a positive change for our community and in the Owsley County Sheriff’s Department.

Your support and vote would be greatly appreciated in the May 2014 Democratic Primary Election.

**Kelly Shouse, Democrat (Incumbent )**

**1. Why do you think voters should elect you as Owsley County Sheriff?**

Serving as your Sheriff for the past 11 years plus has been an amazing experience for me. I have received overwhelming support from the citizens of our community of Owsley County. I am aware that it has been you citizens of Owsley County that have elected me to this position and for that I am grateful.

I have done everything within my power to complete the tasks for which I have been elected. The hours have been long and sacrifices have been many but the rewards have been great. I have been able to help the citizens of Owsley and I have prided myself in doing so. Protecting the citizens of Owsley County has always been my top priority and will continue to be if I am fortunate enough to be re-elected Sheriff. The Sheriff is the only one individual who cannot do their job alone. He must have loyal and trustworthy employees to stand behind him and I have had the opportunity to work with the best.

My goal is to continue to work together to make Owsley County a place for our children to grow up safe and be proud of.

**2. Why do you think you deserve a 4<sup>th</sup> term?**

As your Sheriff, through hard work, dedication, and commitment our administration has been and will continue to be devoted to the safety and the well being of the citizens of Owsley County. I believe our children are our most precious resource. This is evident in our department’s cooperation with the local school system and youth foundations. We work to promote a positive relationship with our youth and if re-elected I will continue to do so. To make this possible endless hours must be committed to combat crime in our county. I work closely with surrounding counties and state agencies to stop crime that cross over into our community. Many, many arrest has been made over the years for manufacturing Methamphetamine. To this date we have took down hundreds of Meth labs. Stopping this manufacturing insures that this poison doesn’t impact our families lives. Our department keeps a vigil eye for people who are impaired while driving. It is vital to keep these people off the roads that are a danger to our citizens. Drugs are a plague on our small on our small community and I have fought the drug problems tirelessly and will continue to combat this problem. My heart melts for the families who are on the front lines of the battle against drugs and I am there as your Sheriff as well as your friend to assist you in any way I can through these difficult times.

Theft has been an ongoing problem in our county. My administration’s goal is to return all stolen properties back to the rightful owners. Anytime we are unable to recover property, I see it as personal theft against me as well. On the other hand one of

the most satisfying feelings is to successfully solve theft investigations and return stolen properties to their rightful owners. My administration has been very successful in recovering properties for citizens of Owsley County and will continue to do so for the next 4 years.

I have had the good fortune to work with 2 exceptional secretaries as a result of tax collections and dispersals of taxes have been done in a timely and proficient manner through my administration. My administrations audits are public record. I encourage you, the citizens of Owsley to look at our track record. If you the citizens re elect me as your Sheriff, my administration will continue to successfully record.

**3. What is your strongest qualification for this job?**

My strongest asset has to be the 11 plus years of experience as your Owsley County Sheriff and my desire to help our citizens and children. But to me being a father, grandfather, and husband is my biggest and most important asset. I know what it means to worry over the influences our children face in society today. I’ve gained a vast knowledge of law enforcement during my administration and network with other law enforcement agencies. I attend and complete 40 hours of required training a year. I put this training to

use daily as I work for the citizens of Owsley County. I have dealt with all aspects of law enforcement and have found that it is not only a law enforcement job; it is a humanitarian job as well. Throughout my tenure I have met most of the citizens of Owsley and I know your concerns for our community and I know what it takes to address these concerns. I am your Sheriff, as well as your phone directory, locksmith, tow truck, dispatch, farmhand, and friend. I take all of these jobs with a serious self-dedication and take personal pride in them. If re elected, I will continue to fulfill these duties because I take a huge amount of pride in them.

I am proud to say I have had the pleasure of seeing many of my employees further their careers in law enforcement in numerous agencies and fields. I pride myself on finding high quality employees with a desire to see our community be the best that it can possibly be. I will continue to dedicate myself to staffing my office with highly qualified, well trained and disciplined employees to fulfill the duties for our citizens.

Being from and living in Owsley County my entire life, I can tell each of you whole-heartedly that I love this place. In my opinion, the people from Owsley are some of the greatest people I have ever met. I consider you my friends and family that I treasure.

## Elect MARK EDWARDS CORONER #1 on Ballot

• Currently serving the citizens of Owsley County as Deputy Coronor

• A thorough, competent investigator, who is ethical, compassionate, and caring

• Experienced, Certified, and Licensed as a Coroner in Commonwealth of KY

My name is Mark A. Edwards and I’m seeking your support in the May primary election, as a candidate for Owsley County Coroner.

I graduated from Owsley County High School in 1978, and answered the call of duty to serve my great Country after graduation. I retired honorably from the U.S. Army after serving 18 years on active duty. Ten of those years were served at the White House in Communications, working directly with President Reagan, President Bush administrations, and the United States Secret Service.

I am the son of Dick and Maria Edwards. My wife is Linda Wright Edwards. I am proud to Say that I am the grandson of the late Edd and Emma Harvey and Bill and Ruth Hamilton. My wife and I are the co-owners of the Booneville Funeral Home.

The meaning of the word CORONER is “a public official whose chief duty is to determine the cause of death not obviously due to natural causes”. What are my qualifications for coroner? I am currently serving as Chief Deputy Coroner of Owsley County, having been trained in this position for the past four years. I have had the opportunity to work closely and **Confidentially** with the Kentucky State Police on many death investigations. Love for Owsley County and my fellowman, deems it necessary to carry on the duties of this office in a **Professional** manner.

The Booneville Funeral Home has provided the official Coroner office space, vehicles and liability insurance free to the county since it has been in business thus saving the taxpayers of Owsley County thousands of dollars in revenue that has been used to benefit other areas in the County, if elected I pledge to continue providing these assets at no charge to the County, also we provide a modern, state of the art, holding facility, which is the only one in the area.

As your candidate for Coroner, my life outside the funeral director/owner, is enriched by attending the Booneville United Methodist Church, a lifetime member of Three Forks VFW Post 11296 and DAV Chapter 165, a proud supporter of Owsley County’s sports program, a member of the Owsley County Historical Society, and a Kentucky Colonel.

On May 20, vote for a caring, compassionate, and ethical candidate to be your next Coroner.

OUTDOOR TRUTHS

by GARY  
MILLER

I don't consider myself computer illiterate but I'm also not a tech expert. I fall somewhere in-between. I used to spend more time learning about new gadgets but now I sort of just maintain until I'm forced to adapt or be left behind. One of the things that I'm trying to adapt to is my digital camera. I know, I know, don't laugh. I've actually had the camera for a couple of years but all I've been doing is taking pictures the simplest way I could. I thought all of the buttons where there so they could sell it for more. (I feel the same way about my cell phone. Why can't they just give me big numbers, lots of volume, and plenty of light?) I digress. I've always wanted to take pictures while I'm hunting or fishing but I never knew how to set up the timer feature. So this year I was determined (forced) to

learn. I was tired of looking at all my pictures and always having the check-in station in the background. It sort of lost the effect of the hunt. This turkey season I've become a picture taking monster. I carry my bipod and my camera and have taken some really neat shots of me holding a turkey while in the woods. I love it. Now while I've really enjoyed the more realistic pictures, they still don't tell the story of each hunt. Each photo still has only three basic features; me, a turkey, and the woodsy background. The story is up to me to remember, relish, and share. If I were to show you one of these pictures you would simply admire the bird but be clueless to the effort that was involved in getting that gobbler from the limb to the lens. You might have assumed that it was an easy and effortless hunt and you may be wrong or right. When you and I look at each other we often do the same thing. We take a mental picture and quickly add our own story whether that story is accurate or not. We may assume that a person is rude or kind, arrogant or humble, aloof or approachable. However, most of the time, we just don't know. Life is so much better when we give others the benefit of the doubt. It seems that we all default to seeing the bad and the negative. It's the first button we learn to use on our mental camera. Maybe it's time we all realized there are other features that may give us a better look. And maybe it's time we learned to use them.

## FBLA and Multimedia Class Tour J Frank Publishing

On Wednesday, April 16<sup>th</sup>, FBLA members and students of Mrs. Sandlin's Multimedia Class visited J. Frank Publishing in London Ky. A tour of the facility was given by the Press Room manager, Danny Beckner. Students were introduced to the process of how the newspaper is created. For example, before the newspaper is printed, a piece of thin aluminum is pressed with fine print indentions and used as a

template for newspapers. A machine is used to send the indentions to the printer. Humongous rolls of paper are loaded manually to the machines and are used for printing. It goes on an assembly line and the paper is cut. The ink is pressed to form the information that will go on the paper. It is then pressed again and again until the process is complete. When it gets to the end of the line, workers manually check the

paper for errors, by comparing them to the proofs and tossing away the bad papers in a large metal crate that is then recycled. The workers put the papers on a labeling machine to be stamped and shipped. The finished papers are stored in large wooden crates for shipping. After the tour, students asked any questions that were not answered by the press room manager. J. Frank Publishing gave students and teachers that toured this day, free Booneville Sentinel papers.

### FBLA members and Mrs. Sandlin's Multimedia Classes had a guest speaker on Wednesday, April 9<sup>th</sup>

Teresa Barrett visited and introduced students to her profession and the procedures and processes that are required to produce a newspaper. Students learned that The Booneville Sentinel was a family operated business and that Teresa took over the business after her mother retired. She explained the process that she and co-workers use to make the newspaper available for publishing and ready to be sent out for readers. She showed a presentation of this process. She told students the upcoming events that would be in the newspaper. She answered any questions students had. She finished the meeting saying that there was a scheduled tour of the J. Frank Publishing in London, Ky. for FBLA and the Multimedia Classes.

## SENIOR spotlight

This week the Owsley County High School senior spotlight shines on  
**Virgie Hacker and Dylan Darrell David McIntosh**

### Virgie Hacker

Virgie is the daughter of Debbie Dodson and David Hacker. She has the following sibblings: Alli Marshall, Samantha McIntosh, Jamison Hacker, Brandon McIntosh, Michaela Reynolds, Mackenzie Reynolds, Kendra Marshall, and Kaitlyn Marshall. Her

grandparents are Betty and Steve McIntosh and Clifford and Chrissy Hacker.

Virgie's college and career goal is to attend college, get her Bachelors Degree in communications and succeed by being a motivational speaker. Her hobbies include spending time with family and friends and remembering Dylan McIntosh. She is a member of Career Ready, Upward Bound, and is distinguished and proficient in her test scores.

### Dylon Darrell David McIntosh.

Dylon was the son of David and Sheila McIntosh, grandson of Naomi and the late Bruce McIntosh, and Darrell and Martha Fox. Judy Fox, the brother of Thomas and Nikita McIntosh.

Dylon wanted to do or try everything but mainly be a Veterinarian or Game Warden. He loved to ride

his ATV and horses and also spend time with his family and friends. He is missed and loved so much by his family and friends everyday. He loved life and wanted to experience as much of it as he could. He touched so many hearts in what little time he was given here. He left his place in every heart that knew him.

Senator Mitch McConnell with Lebert Garrett, Candidate for Magistrate, District #2. Mr. Garrett presented Senator McConnell a proposal to look at for the funding of a Sportsplex center in Owsley County, something like the one in Knott County. Mr. Garrett believes that if something like this could be brought to our community, it would bring jobs, activities for our youth, promote a healthier community and money, for the county, from memberships brought in from the surrounding counties.

Power in Winchester recently announced the closure of its oldest operating power plant, Dale Station. The plant will go off line in April 2015 as new environmental regulations take effect. This round of regulations will require operating plants to meet stricter mercury emissions standards. Upgrades to meet those standards would cost millions of dollars. Power companies across the country are choosing to close older plants rather than spend millions and raise electric rates.

Which brings us back to last winter's polar vortex... While the country shivered in the grips of the polar vortex, 89% of the coal fired plants that are set to be idled under the new regulations were cranked up and producing electricity, noted Alaska Republican Sen. Lisa Murkowski during a Senate hearing on the subject.

If you take those power plants out of the generation mix, it's questionable whether or not the remaining plants could meet the demand of a nation in the grips of a future polar vortex.

New mercury regulations are already set to take effect in 2015. They cannot be changed, and coal-fired plants across the country will close. The EPA, however, is considering new carbon regulations that would force power companies to invest millions in new equipment. States that rely heavily on coal to produce electricity, like Kentucky, will be hit the hardest. Those costs will be passed on to homeowners and business owners like you, raising future electric

bills.

Officials with East Kentucky Power Cooperative, which supplies electricity to Jackson Energy and other Kentucky electric cooperatives, estimate that proposed carbon regulations could add as much as \$44 per month to electric bills in Kentucky.

The EPA is currently taking comments on the viability of imposing new regulations, and now is the time to let them know if you oppose new standards that will result in costly upgrades for coal-fired plant. Electric cooperatives across the country are asking the EPA

to allow coal to remain a viable fuel supply for our nation's power plants and to not raise electric bills.

It's important for you to contact the EPA and voice your opinion about these regulations. The deadline for comments is May 9. Tell the EPA that America needs a common sense solution for power generation. Visit [www.action.coop](http://www.action.coop) to voice your opinion while there's still time to preserve one of our nation's most reliable sources of electricity – coal.

way up because of the war on coal. "We're gonna fight back on the war on coal, and I'm gonna lead the fight!" stated Senator McConnell.

Through the EPA, there are two regulations: one is the comment period which is going on right now. The second regulation targets the existing coal plants. If these regulations goes
